

MIRA

Health and Safety Protocol Record

I certify that I have been trained on all required health and safety protocols in regards to:

- Proper sanitization and personal hygiene requirements consistent with CDC guidelines
- The importance of not coming to work if sick
- Symptom criteria for COVID-19

I will adhere to the following as requirements:

- I will maintain robust personal hygiene
- I will wash my hands upon arrival at work as well as routinely throughout the day, after coughing, sneezing, or after coming into contact with a surface that could be contaminated
- I will regularly self-monitor for symptoms (see "Daily Wellness Screening Questions")
- I will wear a personal face covering when job responsibilities require me to be within 6 feet of others, as well as while conducting tastings and tours.
- I will adhere to any mandated physical distancing protocols.

I have received and understand the Notice of Privacy Practices for Protected Health Information.
